Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs.

(L. S.)

You are hereby notified to meet at the Town House in said Hudson on Tuesday, the 13th day of March next at 10:30 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing, and vote on constitutional amendment.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.
3. To see what sum of money the Town will vote to raise for the permanent improvement of highways in addition to what is now required by law to be raised and vote to accept State Aid.
4. To see what sum of money the Town will vote to raise for the benefit of the Public Library.
5. To see what sum of money the Town will vote to raise for Memorial Day.
6. To see what provision the Town will vote in relation to furnishing a hearse.
7. To see if the Town will vote to accept the provision of Chapter 117, laws of 1917, on a section of

the Hudson-Derry Road so-called, and appropriate or set aside from the amount raised for highway work the sum of \$250.00 for this purpose.

Given under our hands and seal, 17th day of February, in the year of our Lord nineteen hundred and twenty-two.

HENRY C. BROWN,
J. A. ROBINSON,
J. H. PERKINS,

Selectmen of Hudson.

A true copy of Warrant—Attest:

HENRY C. BROWN,
J. A. ROBINSON,
J. H. PERKINS,

Selectmen of Hudson.

BUDGET

For the Year Ending
JANUARY 31, 1923

BOARD OF TRUSTEES

HENRY O. SMITH,	Term Expires March, 1923
ELIZA B. LESLIE,	Term Expires March, 1924
GEORGE F. BLOOD,	Term Expires March, 1925

MARY N. ABBOTT. Librarian.

Hills Memorial Library

REPORT OF TRUSTEES

A considerable number of new books have recently been placed on the library shelves, the income of the Dr. Alfred Kimball Hills fund having been made available. The exterior wood work of the library building was re-dressed during the summer and is now in good condition.

The trustees are contemplating the installation of a new card catalog system. If this is to be done, a considerable appropriation will be necessary and much volunteer work on the part of individuals will be called for. This matter may well be discussed at the next annual meeting of the town.

HENRY O. SMITH,
ELIZA B. LESLIE,
GEORGE F. BLOOD,

Library Trustees.

School Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Hudson qualified to vote in district affairs:

You are hereby notified to meet at the Webster School Building, in said district on the twentieth day of March, 1923, at 2:15 in the afternoon, to act upon the following subjects:

1st. To choose a moderator for the ensuing year.

2nd. To choose a clerk for the ensuing year.

3rd. To choose a treasurer for the ensuing year.

4th. To choose a member of the school board for the ensuing three years.

5th. To choose agents auditors and committees in relation to any subject embraced in this warrant.

6th. To see what sum of money the district will vote to raise for building, repairing or furnishing school houses or to in any way keep in repair or improve the school property of the district.

7th. To see what sum of money the district will vote to raise for schools in addition to the amount required by law.

8th. To see what sum the district will vote to pay its school officers the ensuing year.

Given under our hands at said Hudson the twenty-first day of February, 1923.

HENRY C. BROWN,
HENRY O. SMITH,
KARL E. MERRILL,
School Board of Hudson, N. H.

A true copy of Warrant—Attest:

HENRY C. BROWN,
HENRY O. SMITH,
KARL E. MERRILL,
School Board of Hudson, N. H.

SCHOOL REPORT

To the Citizens of Hudson:

In accordance with the vote of the district, the remaining two new class rooms in the Webster building were finished last summer, one of them being occupied in September. Apparently the remaining class room will not be used during the next school year unless the incoming first grade should be so large as to necessitate dividing the grade. The exteriors of the Centre and No. 7 school buildings have been painted and a number of needed repairs made on the building at No. 1.

We regret the curtailing of service by the Nashua Street Railway Co., which has necessitated the transportation of several children on the southern portion of the Lowell Road by team.

The management of the Mass. Northeastern electric road is now threatening to discontinue its lines in Pelham and Hudson. If this is done the consequences to the district will be serious. We have therefore filed our protest against such discontinuance with the public service commission of the state.

In accordance with the law we submit the following estimates:

Additional sum of money for the support of the schools,	\$11,000.00
--	-------------

For:

Purchase of text books and supplies,	1,000.00
Purchase of flags and appurtenances,	10.00
Payment of notes,	5,600.00
Payment of interest,	870.00
Paying teachers and other expenses of instruction in Manual and Domestic Arts,	500.00
Insurance,	130.00
Payment of tuition in high schools,	4,000.00
Payment of excess salary of Supt.,	275.00
Payment of per capita tax,	868.00

HENRY C. BROWN,

HENRY O. SMITH,

KARL E. MERRILL,

School Board of Hudson.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Hudson,
Greeting:

I have the honor to submit herewith my fourth annual report as superintendent of your schools.

Attendance.

Below are given some attendance statistics taken from the General Statistics reports of the past four years. A steady increase is shown in enrollment and in membership in your schools and also in attendance of Hudson pupils in secondary schools outside the town. The rate of increase has not, however, been rapid enough to cause any special uneasiness at the present time as far as the housing of our school children is concerned for a period of three or four years. At present, even, there does not seem to be any probability that the opening of another room in the Webster School next year will be necessary.

It is to be regretted that our per cent of attendance for the last year is the lowest of any during the four year period. This condition should be improved this year.

	'18-19	'19-20	'20-21	'21-22
Total enrollment in Hudson schools,	338	343	366	367
Average membership in Hudson schools,	261	282	298	305
Hudson pupils in high schools and academies,	34	30	44	59
Per cent of attendance,	88	88	89	87

Membership at present, No. 1. 22; No. 9, 21; Center, 45; Webster, 232.

Total membership, 320.

Teachers.

Of the twelve teachers, regular and special, who were in your employ last year, seven are now holding the same positions. Five new teachers have been employed and the position as teacher of manual training is at present vacant. Four of the new teachers are graduates of normal or training schools, and the fifth has had some training and experience.

The teacher is the one predominating factor in determining the excellence of a school. Although it is true that a poorly lighted or heated room may be a menace to the health of the pupils, and the lack of equipment may be a handicap to the work of any teacher, it is equally true that a properly planned, heated, and equipped room, as important as all these matters are, is of no avail in securing results when presided over by an incompetant teacher. The excellent teacher has never been and never will be paid what her services are worth to a community. No community is rich enough to pay her in full. The poor teacher is always over paid whatever her salary may be. It should be the policy of every school district to retain its best teachers by encouragement in every way, whether it be by criticism, pleasant living conditions, or social recognition.

Manual Training

The great majority of our pupils who attend any secondary school go to the Nashua High School. Under the circumstances it is necessary that we give our pupils a preparation similar in content and extent to that which the Nashua pupils receive. In order to do this our equipment should be comparable to that

in our neighboring city. Our manual training equipment has been from the start inadequate, if we are to give our boys a training in this work equal to that which the Nashua boys receive. The head of this department in Nashua tells me that the Hudson boys electing the manual arts course are decidedly handicapped because of inadequate previous training. This should not continue.

There are two ways of remedying this defect. Either we should send our boys to Nashua for training in this work, or we should properly equip a room for it in the Webster School. It seems to me that there are many objections to the first of these alternatives. The expense of equipment for a class of 12 would be between \$250 and \$300. I recommend this outlay.

Health

A summary report from the school nurse is attached to this report. I wish to call your attention, and through you more especially, the attention of the parents of Hudson to three items in this report. There are still remaining in our schools 21 children suffering from defective vision, 143 from defective teeth, and 77 from hypertrophied tonsils. This makes a total of 241 rather serious defects found from the examination of 324 children. As perfect as you may have supposed your children to be, the great majority of them need the attention of a dentist, an oculist, or of a surgeon. A sense of duty as well as a love for the child should cause you to open your eyes to the existence of these defects in your children and to take the proper steps to have them remedied. The state

and the local school authorities are doing their duty in this respect but the parent, who should be the most interested party, seems to be the one at fault.

In General

The schools as a whole seem to be in a better condition than they have been at any other time during the past four years. The housing is the best that it has been during that time, the schools are more fully equipped with books and supplies, and they are presided over by a more trained and experienced corps of teachers than they have been at any other time during that period. This has been accomplished during a time when the State Board of Education announces that the teaching force of the state has deteriorated as far as extent of training and experience is concerned, due to our proximity to states which pay higher salaries and offer pensions.

Thanking the teachers for their cooperation and loyalty, the board for its consideration, and the community for many kindnesses, this report is,

Respectfully submitted,

LOUIS DEWITT RECORD,

Supt. of Schools, Union No. 27.

Feb. 9, 1923.

EXTRACT FROM GENERAL STATISTICS REPORT FOR SCHOOL YEAR 1921-22.

Number of schools maintained,	10
